

MODIFICATION TO SPECIFICATION

SEAFISHMarine Services
Form 56
Issue 2

SFIA PROJECT CODE	
SFIA UNIQUE NO.	

Upon receipt of this form, Seafish will consider the details for approval in relation to the specified vessel. If the modifications are deemed to have a significant impact on the existing approved specification, revised drawings may be requested for re-approval. This modification to specification is only to be considered approved if stamped and dated by Seafish.
