

The Seafish Seafood Guide

is a comprehensive
64-page guide to fish and
shellfish available in the UK.

Information on species,
sustainability, traceability,
recipes and techniques.

A great educational tool, it is
available to order at a price of
£5 per copy, or £2.50 per copy
for orders of 50 or more.

"The Seafood Guide is a great educational tool that all students will find fascinating. It is a must have manual of fish, with great photos and explanations covering a wide range of not only fish species but all the other aspects of the industry."

José L Souto, Chef Lecturer in Culinary Arts,
Westminster Kingsway College
