Exclusive Economic Zone (EEZ)

Is the FIP within an EEZ? \*

Countries have jurisdiction for the exploration and exploitation of marine resources within 200 nautical miles of their shores. These areas are called EEZs. FIPs may operate within one or more EEZs, outside of any EEZ, or both within and outside of EEZs. Select the EEZ on the list that fits your FIP from the dropdown below.

- None -

Use this section if you answered "Within one or more EEZs" or "Both within and outside of EEZs"

Country

Select the country location of your FIP. If your FIP is located in more than one country, select the primary country first and then click "Add another item" at the bottom of this section to add another country.

- None -

Geographic Scope

Please note where fishing from the FIP fleet occurs, ie the entire country, or if it has a more limited scope, such as a specific sea, state, or province.
