<i>Processes and consultees when a marine licence is required</i>			
Environmental Impact Assessment (EIA)	Under the Marine Works (Environmental Impact Assessment) Regulations 2017 applications will need screening against the above Annex to check if an EIA is required.	Marine Management Organisation	Marine Licensing Team 0300 123 1032 marine.consents@marinemanagement.org.uk https://www.gov.uk/marine-licensing-impact-assessments#environmental-impact-assessment
Habitats Risk Assessments (HRA) When an EIA is not required but site falls within a European & Ramsar conservation site.	The MMO consults assess if there are any Likely Significant Effects (LSE) on European sites or Ramsars. If none it can proceed. If an LSE then an appropriate assessment is required under the Marine Works (Environmental Impact Assessment) Regulations 2017. This is carried out by the applicant then assessed and conditioned by the Local authority after consulting with NE, JNCC & IFCA.	Natural England, JNCC & IFCA.	Marine Licensing Team 0300 123 1032 marine.consents@marinemanagement.org.uk https://www.gov.uk/marine-licensing-impact-assessments#HRA
Safety of Navigation	As statutory Consultee to the MMO, The Maritime and Coastguard Agency considers impact on the Safety of Navigation, Search and Rescue and Counter Pollution.	The Maritime and Coastguard Agency	Tel: 023 80329184 navigationsafety@mcga.gov.uk
