

# SECLG meeting. Tuesday 5 July 2022

## Friends House London

“Implementing social sustainability and C.188/AENOR labor standards in the fishing industry”

Juan Manuel Trujillo Castillo

# “ENVIRONMENTAL, ECONOMIC AND SOCIAL SUSTAINABILITY”

## What does social sustainability mean?

- Decent working conditions (labor regulations, tackling forced labour, etc.. )
- Improved safety
- Social protections
- Integrating a true social dimension without discrimination between EU and Third country workers in working conditions, remuneration and training
- Also...food security

# How does the APR Standard contribute to social sustainability?

## Social standards and safety at work I

- Remuneration of fishers
- Hours of work and rest
- Crew list
- Illness, injury and death
- Repatriation
- Recruitment
- Medical attention
- Health and safety at work and prevention of accidents

# How does the APR Standard contribute to social sustainability?

## Social standards and safety at work II

- Social security
- Food and water
- Accommodation
- Responsibilities of the vessel owner
- Oversight of implementation
- Guidelines on port state controls
- ITF recommendations on fishing nation controls
- Case study

We are working together to achieve the following:

Ratification and implementation of the ILO  
Work in Fishing Convention 2007 (C. 188)

Promote the International Convention on  
Standards of Training, Certification and  
Watchkeeping for Fishing Vessel Personnel  
(STCW-F), 1995

Promote the ratification and implementation of  
the Torremolinos International Convention for  
the Safety of Fishing Vessels 1977

*“Thank you very much for your attention. I hope you good, honest and tolerant people will know how to judge my words by their intention rather than by the way in which I have been able to express myself.”*
