

THE
FISHERMEN'S
MISSION

Our Services

The Fishermen's Mission is a national charity that provides financial, practical and pastoral support to both active and retired fishermen and their families.

We also provide a 24/7 emergency response should they be taken ill or suffer an accident when working at sea

**Why are we
reviewing our
offer of services to
the aquaculture
sector?**

**What are our
criteria for
assistance?**

**What services will
we be offering to those
working in the
aquaculture sector?**
